dominant. You can tell which way that leans. You know. When you think about your major relationship, the most significant relationship, the one that you think about the most or the one you interact with the most, does that relationship feel like fun and life-giving, or does it feel like struggle and hard work. You know.

Maslow's Hierarchy of Needs In Chapter 2 you saw that people become actualized to accomplish higher motives only after they have fulfilled certain basic needs. Psychologist Abraham Maslow identified seven categories of basic needs common to all people. Maslow represented these needs as a hierarchy in the shape of a pyramid (Figure 3.1).
