My father-in-law brought me a J-93 built by Kimball (similar to a Heald hauler) to have a new drivetrain installed. I have a GX390 clone engine, but need a transmission, which is proving harder to find than I thought. It needs to have reverse and be between 1-3 forward speeds. Are there any good sources for small engine transmissions out there?

I need a small engine transmission - Pirate4x4.Com : 4x4
