EDMG240 - Chemistry of Hazardous Materials. This course gives the student an in-depth study of the chemistry of hazardous materials as emergency management personnel must deal with these types of materials.

AMU Course: EDMG240 - Chemistry of Hazardous Materials

When you have your hazardous materials endorsement, you could be responsible for hauling a huge variety of dangerous liquids, gases, and other materials. Since this process can take a considerable amount of time from start to finish, you may want to apply online through the TSA as soon as possible.
