Heart failure exacts severe economic, social and personal costs 2. Preventing heart failure in high-risk groups 10 What causes heart failure? How can heart failure be prevented? Identifying and treating patients at risk of developing heart failure Preventing heart failure in the elderly and socioeconomically disadvantaged: unique challenges 3.

### **Heart failure - European Society of Cardiology**

Your heart will let you know when something is not right. It will also speak to you through messages, inklings, and signs when it is definitely on the right path. There is a battle constantly going on between the rational mind and the sensitive heart – and it's important to tune into what's going on between the two for your own well being ...
