An elementary school is the main point of delivery of primary education in the United States, for children between the ages of 4 and 11 and coming between pre-kindergarten and secondary education.. In 2001, there were 92,858 elementary schools (68,173 public, 24,685 private) in the United States, a figure which includes all schools that teach students from grade one through grade eight.

### **Elementary school (United States) - Wikipedia**

This is a great approach to grammar, especially for children with learning differences. The Killgallon method is to have students imitate "model" sentences written by familiar authors, and to do so incrementally as they work up to a paragraph of well-composed sentences.

English as a second or foreign language is the use of English by speakers with different native languages. Language education for people learning English may be known as English as a second language (ESL), English as a foreign language (EFL), English as an additional language (EAL), or English for speakers of other languages (ESOL). The aspect in which ESL is taught is called teaching English as ...
