For all probability the entity in the movie is a demon. Ghost is related to some person, because it was a living being in some time frame. So in general ghosts are lingering around a place or thing with which he was emotionally attached too. Ghosts don't work by possessing person after person like curse.

What is the monster in It Follows ? Is it a ghost or a demon?

It was a great follow-up as this time we delve into a bit of space action, like all great wars the story begins with an assassination attempt, then hell follows. In the end power in dockside will forever shift, and our characters will have to pass new tests.

Hell Follows (The Fixer, #2) by Andrew Vaillencourt

Hell Follows takes a somewhat altered approach as it moves away from the ritualistic horror and smothering claustrophobia of past releases, and into a more spacious realm, with more distinguished sounds and clearer instrumentation.
