Homeopathic 'proving' are a method of establishing what a homeopathic remedy contains and how diluted it should be. It is a sort of 'in-house' scientific method, and a poor one: provings contains no controls for bias or any method for separating the ordinary experiences of daily life from true symptoms

caused by the substance being tested.

Homeopathy â€“ Science-Based Medicine

Homeopathy is The One Quackery To Rule Them All. The same is true all over the world. It's also true that the preferred tactic of homeopaths and other quacks is to try to suppress criticism of their quackery, not to answer it with science. During Homeopathy Awareness Week, I present an example of this in France.
