IMAGINING INDIA PDF - vishair.biz

Imagining India, Ideas For The New Century (2008) About book: Imagining India as yet another of the United States, full of loud-talking parvenus and peasants playing the stock market on smartphones. Bangalore, which in its modern form seems to have been invented largely by the author, is the least interesting city in the country.

READ Imagining India, Ideas for the New Century (2008)

Imagining India is primarily about ideas: the ideas that held India back, the ideas that allowed it to forge ahead, and the ideas the country has yet to embrace. Nilekani argues that at the heart of the new India is a transformation of its self-image: the country's tremen-
