Managing the Integrity of Patient Identity in Health Information Exchange (2014 update) Accurate patient identification is foundational to the successful linking of patient records within care delivery sites and across the healthcare ecosystem to underpin care delivery, data exchange, analytics, and critical business and clinical processes.

Managing the Integrity of Patient Identity in Health

CP 292 Implementing the financial benchmark regulatory regime. Released 17 July 2017. Comments close 21 August 2017. This consultation paper seeks feedback on draft rules proposed to apply to the administration of licensed financial benchmarks and proposed regulatory guidance on how we would administer the financial benchmark administrator licensing regime.
