The Post Office's identity document checking service is for customers who need to have photocopies of identity documents certified as being a true likeness of the original. We will check up to three original documents against the photocopies and certify each photocopy as a true likeness of the original document.

The Patasola or "one foot" is one of many myths in South American folklore about female monsters from the jungle, appearing to male hunters or loggers in the middle of the wilderness when they think about women. The Patasola appears in the form of a beautiful and seductive woman, often in the likeness of a loved one, who lures a man away from his companions deep into the jungle.
