

influencing mass political behavior pdf

Theories of political behavior, as an aspect of political science, attempt to quantify and explain the influences that define a person's political views, ideology, and levels of political participation. Broadly speaking, behavior is political whenever individuals or groups try to influence or escape the influence of others.

Theories of political behavior - Wikipedia

Politics (from Greek: ἡ πολιτική, translit. Politikḗ, meaning "affairs of the cities") is the process of making decisions that apply to members of a group. It refers to achieving and exercising positions of governance—organized control over a human community, particularly a state. The academic study focusing on just politics, which is therefore more targeted than all Political science ...
