info glut how the digital pdf

Origin of the term. The phenomenon of information overload was never novel. Ann Blair notes that while current information overload is linked to digital cultures and technologies, the term itself actually predates modern technologies. Indications of information overload were apparent when humans began collecting manuscripts, collecting, recording, and preserving information.

Information overload - Wikipedia

Social information processing is "an activity through which collective human actions organize knowledge." It is the creation and processing of information by a group of people. As an academic field Social Information Processing studies the information processing power of networked social systems.. Typically computer tools are used such as:
