Generations Online in 2010. There are still notable differences by generation in online activities, but the dominance of the Millennial generation that we documented in our first "Generations" report in 2009 has slipped in many activities.. Millennials, those ages 18-33, remain more likely to access the internet wirelessly with a laptop or mobile phone.

Translated by Felix Gers. What actual changes have been made to ATRAC over the years? There is not much information about this other than what Sony says in their brochures and what appears in occasional magazine articles (thanks primarily to Japanese MJ and German Stereo magazines for their detailed reporting). Since ATRAC's transform window size (11.6ms) and signal processing structure are ...
