Cross posted from the very fine Forward blog â€“ thanks, Erin and Paull! What is â€“Internal communicationâ€“™? Internal communication is a subset of effective business communication, which is built around this simple foundation: communication is a dialogue, not a monologue.

### **What is internal communication? - Lee Hopkins**

Internal auditing is an independent, objective assurance and consulting activity designed to add value and improve an organization's operations. It helps an organization accomplish its objectives by bringing a systematic, disciplined approach to evaluate and improve the effectiveness of risk management, control and governance processes. Internal auditing is a catalyst for improving an ...

Since the mid-2000s, organizational change management and transformation have become permanent features of the business landscape. Vast new markets and labor pools have opened up, innovative technologies have put once-powerful business models on the chopping block, and capital flows and investor demand have become less predictable.
