International Fund - Ethical - Pengana Capital Group

An exit strategy is a means of leaving one's current situation, either after a predetermined objective has been achieved, justifying premises or decision markers for any given operational planning changed substantially, or as a strategy to mitigate imminent or possible failure. An organisation or individual without an exit strategy may be in a quagmire.

Exit strategy - Wikipedia

Gender-based violence (GBV) is a human rights violation, a public health challenge, and a barrier to civic, social, political, and economic participation. It undermines not only the safety, dignity, overall health status, and human rights of the millions of individuals who experience it, but also the public health, economic stability, and security of nations.
