2- Definitions of L2. It is crucial here to mention the difference between a Second and a Foreign language, which are both referred to as L2. People who are living in an English-speaking community/country are learning English as their SECOND language. "The learner of the second language is surrounded by stimulation, both visual and auditory, in the target language and thus has many ...

Summary: demonstration of how to build Backbone.js application from scratch and use views, collections, subviews, models, event binding, AMD, Require.js on the example of the apple database application.

"Code is not an asset. It's a liability. The more you write, the more you have to maintain later." Unknown. Setting up Backbone.js App from Scratch

Rapid Prototyping with JS: Agile JavaScript Development in

Approaches. One can sub-divide approaches to the origin of language according to some underlying assumptions: "Continuity theories" built on the idea that language exhibits so much complexity that one cannot imagine it simply appearing from nothing in its final form; therefore it must have evolved from earlier pre-linguistic systems among our primate ancestors.

Origin of language - Wikipedia

Introduction. Language and communicative competence provide critical tools for learning, engaging in social relationships, and behaviour and emotion regulation from infancy onward.

Language development and literacy: Impact on emotional

Introduction 1. Why this guide? Many people still believe that learning Linux is difficult, or that only experts can understand how a Linux system works.
