Last couple of months, I've been getting tons of e-mails from people asking me what they should read in order to learn more about positive psychology.. Of course, I've been suggesting many positive psychology books written by the most esteemed positive psychology researchers. However, there are so many free online resources available that are worth reading, that I've decided to build up a ...

Dramatic literature, the texts of plays that can be read, as distinct from being seen and heard in performance.. The term dramatic literature implies a contradiction in that literature originally meant something written and drama meant something performed. Most of the problems, and much of the interest, in the study of dramatic literature stem from this contradiction.
