A suicide attack is any violent attack in which the attacker accepts their own death as a direct result of the method used to harm, damage or destroy the target. Suicide attacks have occurred throughout history, often as part of a military campaign such as the Japanese kamikaze pilots of World War II, and more recently as part of terrorist campaigns, such as the September 11 attacks.

Acol System - Conventions and Methods The attempt has been made to present the principles of the Acol bidding system separately. The bidding system is considered an evolving bidding system, in that there are no strict rules, to which all players adhere. The Acol bidding system is largely employed in standard British tournament play and also widely used in other parts of the world such as ...
