The Lean Book of Lean Summary | John Earley | PDF Download

Stereotype threat discourages girls and women from entering technical fields and is one of the key reasons that so few study computer science. The stereotype of a working woman is rarely attractive.

Lean In: Women, Work and the Will to Lead By Sheryl

However, the subject matter of Sandberg's 'Lean In: Women, Work and the Will to Lead' written with Nell Scovell shouldn't have surprised any of her readers, including early naysayers. After all, it was the topic of her 2011 commencement address to Barnard College and her popular 2010 TED Talk, 'Why We Have Too Few Women Leaders,' now showing more than six million views.

Lean In Summary | Sheryl Sandberg | PDF Download
