A diaper (American English) or a nappy (Australian English and British English) is a type of underwear that allows the wearer to defecate or urinate without the use of a toilet, by absorbing or containing waste products to prevent soiling of outer clothing or the external environment. When diapers become soiled, they require changing, generally by a second person such as a parent or caregiver.

Reader's Comments () Author's Note: Before getting to the story, I wanted to right a brief intro for anyone who chooses to read it. First of all, I'd like to thank you for taking the time to check out my work. Secondly, I wanted to give you an idea of what you can expect, since it is quite a commitment to make it all the way through, as those of you who read my first story now surely know.
