Paediatric nursing is the medical care of neonates and children up to adolescence, usually in an in-patient hospital or day-clinic. Paediatrics comes from the Greek words 'paedia' which means child, 'iatrike' which means physician. ' Paediatrics' is the British/Australian spelling and 'pediatrics' is the United States spelling.

Introduction – Suspected sepsis is one of the most common diagnoses made in the NICU. 1 However, the signs of sepsis are nonspecific, and inflammatory syndromes of noninfectious origin mimic those of neonatal sepsis. Most infants with suspected sepsis recover with supportive care (with or without initiation of antimicrobial therapy).
