

security guide to network pdf

When managing your network, developing an app, or even organizing paper files, sound security is no accident. Companies that consider security from the start assess their options and make reasonable choices based on the nature of their business and the sensitivity of the information involved.

Start with Security: A Guide for Business | Federal Trade

Matt Curtin. March 1997 Reprinted with the permission of Kent Information Services, Inc. (Also available in Postscript and PDF formats for those who prefer, and nicer hardcopy.) Abstract: Network security is a complicated subject, historically only tackled by well-trained and experienced experts.
