Detective fiction is a subgenre of crime fiction and mystery fiction in which an investigator or a detective—either professional, amateur or retired—investigates a crime, often murder. The detective genre began around the same time as speculative fiction and other genre fiction in the mid-nineteenth century and has remained extremely popular, particularly in novels.

Agatha Christie (1890–1976) was an English crime novelist, short-story writer and playwright. Although she wrote six romance novels under the pseudonym Mary Westmacott, her reputation rests on the 66 detective novels and 14 short-story collections that she wrote under her own name, which have sold over two billion copies—an amount only surpassed by the Bible and the works of William ...
